The Hoxton

Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

It all started with The Hoxton, Shoreditch back in 2006. Holborn was next in 2014, followed by Amsterdam in 2015, and Paris arrived in 2017 in all its grandeur. Williamsburg and Portland opened in 2018. Chicago was the first opening of 2019, with Southwark and Downtown LA following later in the year, and Rome joined in 2020 and Poblenou Barcelona in 2022.

What we do

More than a Hotel

The Hoxton has never just been about offering a bed for the night. We want to be more than that, providing a vibrant and welcoming place where guests can hangout alongside the locals and immerse themselves in the neighbourhood.

Bringing the Outside In

From the locally sourced art on our walls, bookshelves curated by Hox Friends, and Best Of collaborations; to our programme of monthly events unique to each location

Hox Shop

From Best Of to Blank, we've created and curated lovely products exclusively for The Hoxton. Plus each room has a mini fridge to stock with products from our Hox Shop at supermarket prices

Our Design

All our spaces are vibrant, cosy, welcoming, and inspired by our local neighbourhoods.

No rip-off policy

Our rooms have everything you need and nothing you don't. Everyone gets water, fresh milk, coffee and tea, and a fridge that's yours to stock with snacks and drinks from our Hox Shop, where you'll find beers, wines and soft drinks at supermarket prices.

Meet, Eat, Party, Repeat

Our events space, The Apartment, is there to make your own. Day or night, take over the whole space or just one room.

Working From_

A new dedicated workspace by The Hoxton – inspired by all the folk working from our lobbies since 2006.
